ACKNOWLEDGMENT

Students,

On behalf of the Maple Ridge-Pitt Meadows Board of Education, I would like to congratulate you on reaching this important milestone on your education journey. You are stepping out into a world that has just come through a once-in-a-lifetime shift and is therefore, full of opportunities.

I would like to take this opportunity to thank the many local service groups, organizations, and individuals who contribute funding to help financially support you in the next years of your education. The large number of scholarships and bursaries in this book highlights the wishes of so many in our community to invest in you and all our youth.

I hope you will take the time to read about each contributor, hear their stories, and most importantly, acknowledge and thank them for their investment in you and your future.

We are looking forward to hearing about your future successes.

Best wishes,

Elaine Yamamoto, Chair
School District 42 - Board of Education

To the Graduating Class of 2022/2023

The 2021-2022 district scholarship booklet exemplifies the strong connection our community has forged with students in the Maple Ridge – Pitt Meadows School District. You are in the thoughts of many generous individuals, businesses, and local organizations who want to assist you in achieving your goals. Whether you plan to attend university, pursue a career in the trades, enroll in college, or take advantage of other forms of learning, you will find support for your pathway in this community.

I encourage you to apply for the bursary and scholarship opportunities described in this booklet. If you are fortunate enough to receive financial support, please write the donor to express your gratitude. Keep in mind that many of the community members supporting you today were at one time in need of similar community assistance to achieve their goals. We hope that should you be fortunate to get the opportunity, you too will support students in need later in your life.

We wish you well as you move forward with your post-secondary plans. We are very proud of you and hope that you continue to stay connected to our school district and community.

Best wishes to all of you!

Harry Dhillon
Superintendent of Schools

MAPLE RIDGE – PITT MEADOWS SCHOOL DISTRICT NO. 42
STUDENT FINANCIAL AWARDS
2021-2022
Philosophy of SD42 Selection Committees
Scholarship / Bursary / Award

BOARD POLICY: SD 42 POLICY: 4435

The Board of Education ("Board") encourages students to pursue school programs to stimulate their levels of thought, productivity and citizenship. All student scholarships, bursaries and awards presented in the School District shall be granted strictly on the merits of the recipient.

The Board is appreciative of the community support given to students and encourages members of the public and community organizations to support the students of the School District by donating funds for scholarships, bursaries and awards.

In keeping with the Board's policy it has been the approach of the selection committees, both District and school based, to recognize as many of the outstanding accomplishments of as many students from SD 42 as meet the criteria set out in the award description. As such, in cases where a student may meet the criteria of a number of awards, prior to awarding multiple awards to a single student, the selection committees ensure that all applicants demonstrating outstanding accomplishment in meeting the criteria for an award are considered. In this way, we are able to recognize as many of the outstanding students in our district as possible. However, if the accomplishments of a student are of such an outstanding nature as to set them significantly apart from all other's in meeting the criteria then the committee will award accordingly. It is important to recognize as many of our outstanding students as possible.
